Details of Portfolio

The portfolio will be created in response to a given job advertisement (see **ECECS 2029/HN2005 Engineering Internship Post 2026**) for a short term, summer internship which involves developing a **project**. This is a simulation task, meaning that you must produce the required documents to apply for the specific post.

In response to the job posting, you must apply for this specific job by producing and submitting for assessment:

- a relevant, up-to-date CV, **including**:
    - a career objective
    - a brief project outline: working title, location and issue to be addressed
- a cover letter to accompany your CV (**220 – 260** words) **including**:
    - your motivation for applying for the internship
    - your motivation for proposing the project
    - how the project fits with the EDI statement of the company

This must be your own work.

Submission
Monday 13th April at **11pm** (CN time).
The written portfolio must be one **word** doc or **pdf** submitted to Moodle.

Submission guidelines are provided at the end of this document. Further guidance will be given by your teacher.

Assessment and grading
This assessment constitutes 10% of your final grade.
The portfolio is graded using the University of Glasgow Schedule A. The portfolio receives an overall grade. You will not receive a grade for individual components. The following grades will be awarded:

B1 (17) – B3 (15)	Very Good
C1 (14) – C3 (12)	Good
D1 (11) – D3 (9)	Satisfactory
E1 (8) – E3 (6)	Weak
F1 (5) – F3 (3)	Poor
G1 (2) – G2 (1)	Very poor
H (0)	No evidence

The portfolio is assessed against 3 criteria:
- task achievement
- organisation
- written language & communication

Detailed assessment descriptors are available below.

Course requirements
Please remember that you **must** complete and submit this assessment in order to meet the course requirements. There is no opportunity for reassessment for the set exercise, which means that if you do not submit the portfolio, you will need to wait until the course is next delivered to complete the course successfully.

Related assessment tasks are the **Group Interview**, in which you are interviewed for the internship post, the **Written Assignment**, in which you submit your completed project report, and a **Presentation** of your project idea. Further details are given on separate tasksheets and in Class Sessions during the course.

Frequently asked questions (FAQs)
Answers to the most frequently asked questions will be available in an activity on Moodle in the **Assessments** section.

Uploading the Employability Portfolio
Upload **one word** doc or **pdf document** and to the Moodle assessment section (Portfolio Assessment).

Name your **document** in this way: **PF_Class_SurnameGivenname**

eg PF_CE1A_WenHaoran

The Moodle assessment assignment will be **open** on **Thursday 9th April** at **4pm**. The deadline for submission is **Monday 13th April** at **11pm**. Late submissions will be marked according to the University of *Glasgow's Code of Assessment (penalties will occur):

- No submissions will be accepted after **Monday 20th April** at **11pm**.

It is your responsibility to double-check that you have uploaded the correct file.

Portfolio Assessment Criteria

Students are awarded an overall **Grade** (A1 – H) according to how well the requirements are met. A single Grade (and score) is awarded for the whole portfolio. **Task Achievement carries 50% weight of the overall grade**

Overall coverage in **Table A** summarises the areas that are used to make assessment decisions. **Table B** describes the student performance for each Primary Grade (A – F).

You **must not generate work for this assessment using AI**. This counts as academic misconduct. Your work must evidence *your* English language and communication skills. Please see the Student Handbooks for further details.
